- (g) act independently and solely in the interest of the Unitholders;
- (h) send to the Central Bank any information and returns which are specified by the Central Bank;

- (i) subject and without prejudice to the standard of care set out in sub-Clause 25.03 hereof, neither the Trustee nor the sub-Custodian shall be responsible for any loss caused by the actions or inactions of a Central Securities Depository ("CSD");
- (j) subject and without prejudice to the standard of care as set out in sub-Clause 25.03 hereof, neither the Trustee nor the sub-Custodian shall be responsible for any loss directly or indirectly caused by the failure of a securities system/clearing system to effect a settlement.

25.02 The duties of the Trustee provided for in (a) to (h) above are in addition to any other duties of the Trustee specified elsewhere in this Deed. The duties of the Trustee provided for in (a) to (f) above may not be delegated by the Trustee to a third party and must be carried out in Ireland. Subject to the Central Bank's requirements and the preceding sentence, the Trustee shall have full powers to delegate or sub-contract any administrative duties, on condition that the Trustee shall not delegate its duties (with the exception of duties delegated pursuant to sub-Clause 25.04) without the prior consent of the Manager, such consent not to be unreasonably withheld or delayed. The Trustee shall be liable under this Agreement for the actions or omissions of any such delegate appointed by the Trustee pursuant to this Clause (a delegate appointed pursuant to sub-Clause 25.04 is subject to the provisions set out therein and is not a delegate appointed pursuant to this Clause) as it would be if such actions or omissions were its own. The Trustee shall not be liable to the Fund or the Manager for any loss or damage occasioned by any act or omission of any delegate appointed by it at the request of the Manager. Any consents to delegation already granted by the Manager, whether explicitly or implicitly, may not be rescinded by the Manager.

25.03 The Trustee will be liable to the Manager and the Unitholders for any loss suffered by them as a result of its unjustifiable failure to perform its obligations or its improper performance of them.

25.04 (a) The liability of the Trustee will not be affected by the fact that it has entrusted to a third party some or all of the assets in its safekeeping.

(b) The parties hereto acknowledge that the Central Bank considers that in order for the Trustee to discharge its responsibility under the Regulations, the Trustee must:

- (i) exercise care and diligence in choosing and appointing a third party as a safe-keeping agent so as to ensure that the third party has and maintains the expertise, competence and standing appropriate to discharge the responsibilities concerned; and
- (ii) maintain an appropriate level of supervision over the safe-keeping agent;
- (iii) make appropriate inquiries from time to time to confirm that the obligations of the agent continue to be competently discharged; and

- (iv) as a Sub-Fund may invest in markets where custodial and/or settlement systems are not fully developed, the assets of the Sub-Fund which are traded in such markets and which have been entrusted to sub-custodians, in circumstances where the use of such sub-custodians is necessary, may be exposed to risk in circumstances whereby the Trustee will have no liability.

The foregoing does not purport to be a legal interpretation of the Regulations and the corresponding provisions of the UCITS Directive. The Manager and the Trustee hereby agree that the view of the Central Bank as hereinbefore provided is also their interpretation of the manner in which the Trustee's liability will be discharged.

- (c) The Trustee will from time to time provide information to the Manager relating to the markets where the Fund may invest. In particular, where the Trustee is aware of risks relating to certain markets (including those markets in relation to which the Trustee will have no liability) it will establish a procedure to disclose those markets and risks in writing to the Manager and the Manager will sign a confirmation addressed to the Trustee confirming that it has received the information relating to the market and is aware of the risks of investing in the market. This procedure is designed to enable the Manager to make an informed decision as to whether or not to invest in these markets."
- (d) Where the Manager requires further information about a particular market or a particular sub-custodian or agent appointed by the Trustee to hold assets of the Fund the Trustee shall, following a written request from the Manager detailing the information that the Manager requires, make arrangements for the Manager (or its agents) to have all necessary and reasonable access to the personnel and relevant files of the Trustee and any sub-custodian (either directly or indirectly through the Trustee, as may be facilitated by the Trustee, in any given case), for the purpose of allowing the Manager to obtain the information it has requested.

25.05 Notwithstanding the provisions of sub-Clause 7.01, but subject to sub-Clauses 25.03 and 25.04(a) hereof, the Trustee shall be entitled to procure any agent, clearing system, sub-custodian or nominee of the Trustee ("nominee") to be registered as proprietor of any Investment held upon the trust of this Deed and to receive and make on behalf of the Trustee any payments which otherwise would have been received or made by the Trustee and any reference in this Deed to the Trustee in relation to the vesting, registration or holding in its name of Investments or to its rights obligations or discretions hereunder as the registered proprietors of Investments or to the receiving or making of payments by the Trustee shall where the context admits be deemed also to be a reference to such nominee as nominee of the Trustee in relation to the aforesaid matters or in relation to any payment received or made or which ought to have been received or made by the Trustee and on such basis so that the assets of the Fund or the relevant Sub-Fund are segregated and identifiable as the property of the Fund or the relevant Sub-Fund.

25.06 The Trustee must:

- (i) ensure that there is legal separation of non-cash assets held under custody and that such assets are held on a fiduciary basis. In jurisdictions where fiduciary duties are not recognised the Trustee must ensure that the legal entitlement of the Fund or the relevant Sub-Fund is assured and on such basis so that the assets of the Fund or the relevant Sub-Fund are segregated and identifiable as the property of the Fund or the relevant Sub-Fund;
- (ii) maintain appropriate internal control systems to ensure that records clearly identify the nature and amount of all assets under custody, the ownership of each asset and where documents of title to that assets are located.

Where the Trustee utilises the services of a nominee the Trustee must ensure that these standards are maintained by the nominee.

25.07 Where the Trustee utilises the services of a global sub-custodian the Trustee must ensure that:

- (i) the non-cash assets are held on a fiduciary basis by the global sub-custodian's network of custodial agents. This should be confirmed by those agents on a regular basis. In jurisdictions where fiduciary duties are not recognised the Trustee must ensure that the legal entitlement of the Fund or the relevant Sub-Funds to the assets is assured and on such basis so that the assets of the Fund or the relevant Sub-Fund are segregated and identifiable as the property of the Fund or the relevant Sub-Fund;
- (ii) the Trustee must maintain records of the location and amounts of all securities held by each of the custodial agents;
- (iii) the relationship between the Trustee and the global sub-custodian should be set out in a formal contract between the two entities.

- 25.08
- (i) The Trustee shall not be responsible for the purchase selection or acceptance of any Investment nor for the sale, exchange or alteration of any Investments but the Manager shall (subject as herein provided) have responsibility as to the purchase, selection, acceptance, sale, exchange or alteration of any Investment and the Trustee shall not in any circumstances be responsible for any loss howsoever arising from the exercise of such discretion by the Manager.
 - (ii) Subject to sub-Clause 25.03, the Trustee shall have no liability for any loss or damage arising from the failure of any party (other than a delegate of the Trustee) to deliver Investments or cash to the Trustee or its nominee, or to return such Investments or cash as may have been delivered by the Trustee or its nominee to such counterparty, such failure to include the delivery of forged or stolen Investments or cash.
 - (iii) Any clearing broker with or to which contract and/or margin monies or other Investments are deposited or paid by the Trustee pursuant to instructions from the Manager or the Investment Manager in respect of any currency futures contracts or any other hedging

contracts shall not while it holds such monies or Investments be a sub-custodian, nominee, agent or delegate of the Trustee for such purposes and the Trustee, subject to sub-Clause 25.03, shall not be liable for the act or omissions of or any loss directly or indirectly caused by any such clearing broker.

- 25.09 Subject to sub-Clause 25.03, the Trustee or any agent of the Trustee shall not be responsible for the authenticity of any signature on or any seal affixed to any endorsement on any Certificate or to any transfer or form of application, endorsement or other document affecting the title to or transmission of Units or be in any way liable to make good any loss incurred by any person for any forged or unauthorised signature on or a seal affixed to such endorsement, transfer or other document or for acting on or giving effect to any such forged or unauthorised signature or seal, (and, without prejudice to the generality of the foregoing, the Trustee or any agent of the Trustee may act upon a certificate given by the Manager or by any agent of the Manager as to the validity of any signature or seal on any document).
- 25.10 Subject and without prejudice to the right of the Trustee, the Manager or any Unitholder to apply in any particular case to a court of competent jurisdiction for determination of their respective rights and liabilities hereunder, the Trustee shall have full power to determine all questions and doubts arising in relation to any of the provisions hereof and every such determination whether made upon a question actually raised or implied in the acts or proceedings of the Trustee or the Manager shall be conclusive and shall bind the Manager and all persons interested under this Deed and the Certificates.
- 25.11 The Trustee and any Associate of the Trustee shall not by reason of the Trustee's office be precluded from purchasing or holding Units or from acting as bankers for the Fund or from any time contracting or entering into any financial banking or other transaction with the Manager or any Unitholder or any company or body any part of the shares in which or joint interest in any property with which form part of the Deposited Property or from being interested in any such contract or transaction or from holding any shares or any investment in or joint interest in any property with any such company or body and the Trustee or any such Associate shall not except as otherwise herein provided be in any way liable to account either to the Manager or to the Unitholders or any of them for any profits or benefits made or derived by the Trustee or the Associate thereby or in connection therewith. With the exception of routine banking transactions (including deposits and FX spot and forward deals), the Trustee will promptly inform the Manager of such instance and state whether or not a conflict of interest arises or may arise.
- 25.12 The Trustee shall not be under any obligation to appear in, prosecute or defend any action or suit in respect of the provisions hereof or in respect of the Deposited Property or any part thereof or take part in or consent to any corporate or shareholders' or stockholders' action which in its opinion might involve it in any expense or liability, unless required to do so at the reasonable request of the Manager, and provided that the Trustee shall be indemnified and held harmless out of the Deposited Property against any cost, liability or expense which it may suffer or incur as a result of appearing in, prosecuting or defending such action in terms satisfactory to the Trustee. Such indemnity shall continue unless and until a court of competent jurisdiction determines that the Fund has suffered a loss and that such loss has arisen wholly or partly as a result of the

Trustee's unjustifiable failure to perform its obligations or its improper performance of them, in which case the indemnity shall be reduced by the amount of such loss to the Fund which the court determines has arisen as a result of the Trustee's unjustifiable failure to perform its obligations or its improper performance of them.

- 25.13 The Trustee shall not be liable to account to any Unitholder or otherwise for any payment made or suffered by the Trustee in good faith to any duly empowered fiscal authority of Ireland or elsewhere for taxes or other charges in any way arising out of or relating to any transaction of whatsoever nature under this Deed notwithstanding that any such payment ought not to be or need not have been made or suffered.
- 25.14 Whenever any request, notice, instruction or other communication is to be given by the Manager or by its duly authorised agent(s) to the Trustee, the latter may accept as sufficient evidence thereof a document signed on behalf of the Manager or its duly authorised agent(s) by any two of its directors or by one of its directors and the secretary or by such other official of the Manager or its duly authorised agent as the Manager or its duly authorised agent(s) may from time to time in writing direct. Any such request, notice, instructions or other communication shall be given by the Manager or its duly authorised agent(s) to the Trustee in writing by facsimile or other electronic means of communication acceptable to the Trustee. Where it is given in electronic form, the Manager shall be fully responsible for the security of the Manager's or the agent's connecting terminal, access thereto, the proper and authorised use thereof and the initiation and application of continuing effective safeguards and the Manager agrees to indemnify the Trustee and to hold the Trustee harmless from and against any and all liabilities, losses, damages, costs and every other expense of every nature incurred by the Trustee as a result of any improper or unauthorised use of such terminal by the Manager or its duly authorised agent(s) or by others on the Manager's behalf.
- 25.15 Subject to the Regulations, the Trustee shall as regards all the powers and discretions vested in it by this Deed have absolute and uncontrolled discretion as to the exercise or non-exercise thereof and in the absence of a material breach of this Deed, negligence, bad faith, fraud, wilful default or recklessness on the part of the Trustee, the Trustee, subject to sub-Clauses 25.03 and 25.04, shall not be in any way responsible for any loss, claim, expense, costs or damages that may result from the exercise or non-exercise thereof.
- 25.16 The Trustee may act upon the advice of or information obtained from lawyers, accountants or other experts whether instructed by it or by the Manager and it may also act upon statements of or information or advice obtained from the Manager or any bankers, accountants, brokers, lawyers, agent or other person acting hereunder as agent or adviser of the Trustee or the Manager and the Trustee, in selecting an adviser or in acting upon such statements, information or advice shall not be responsible for the correctness of any such statements, information or advice or for any loss occasioned by it so acting.
- 25.17 The Trustee shall in no way be liable to make any payment hereunder to any Unitholder or to any third party except out of funds held by or paid to it for that purpose under the provisions hereof.

- 25.18 If for any reason it becomes impossible or impracticable to carry out any of the provisions of this Deed neither the Manager nor the Trustee shall be under any liability therefor or thereby and neither shall incur liability by reason of any error of law or any matter or thing done or suffered to be done or omitted to be done by them in good faith hereunder and in particular neither the Manager nor the Trustee shall be liable for any loss or damage to the Deposited Property or for any failure to fulfil its duties if such loss or failure shall be directly or indirectly caused by any act of God, terrorism or war or due to governmental, including regulatory, acts or interventions or due to the failure or malfunction of any telecommunication or computer service of any central securities depository (for the avoidance of doubt, this shall exclude any sub-custodian appointed by the Trustee) (a "Force Majeure Incident") and both the Manager and the Trustee shall be entitled to a reasonable extension of time for performing their obligations under this Deed as a result of the occurrence of a Force Majeure Incident, provided that both the Manager and the Trustee shall use all reasonable efforts to minimise the effects of any such event.
- 25.19 The Trustee shall without prejudice to any indemnity allowed by law or elsewhere, and subject to the provisions of sub-Clauses 25.03 and 25.04, be indemnified out of the Deposited Property in respect of all liabilities and expenses properly incurred by it in the execution or purported execution of the trusts hereof or of any powers, duties, authorities or discretions vested in it pursuant to this Deed or the terms of its appointment and against all actions, proceedings, costs, claims, damages, expenses and demands in respect of any matter or thing done or omitted or suffered in any way relating to this Fund or to any of its Sub-Funds (other than by reason of the Trustee's material breach of this Deed, negligence, bad faith, fraud, wilful default or recklessness).
- 25.20 The Trustee shall be entitled to refuse to effect any investment, realisation or other transaction of whatsoever nature on behalf of the Fund if, in the reasonable opinion of the Trustee:
- (i) such investment, realisation or other transaction would be in conflict with the Regulations, this Deed or any offer document for Units or would be unlawful or would violate the requirements of any government body or any other body with whose requirements (whether legally binding or not) financial institutions in general or the Trustee in particular may be required by law, custom or practice to conform provided that the Trustee shall not be under any obligation to ensure that any instruction received by it would not contravene any of the laws, authorities or documents referred to; or
 - (ii) there are reasonable grounds for estimating that liabilities to be incurred in the course of such investment, realisation or other transaction may not be adequately covered by the Investments or cash of the Fund held for the time being by or on behalf of the Trustee; or
 - (iii) personal liability may be incurred by the Trustee pursuant to such investment, realisation or other transaction.

The Trustee shall forthwith notify the Manager of any of the foregoing transactions.

- 25.21 The Trustee shall:

- (i) maintain a disaster recovery and business continuation plan that shall enable the Trustee to perform the services contemplated by this Deed and to otherwise perform its duties and obligations under this Deed and it shall test the operability of such plan at least once every 12 months and revise such plan as necessary to ensure continued operability and it shall activate such plan upon the occurrence of any event materially affecting the Manager's timely receipt of the performance of such services, duties and obligations under this Deed;
- (ii) inform the Manager after completion of each annual test of the operability of its disaster recovery and business continuation plan. The Manager (or its agents) shall have the right to request the results of the test and the right, on reasonable written notice to the Trustee, to carry out an audit on or inspect a copy of the disaster recovery and business continuation plan and the back-up office facilities and equipment which form part of the plan;

“41.06 The Manager shall be entitled to compulsorily redeem any Units held by any person who, as a result of a redemption, holds Units in the Fund with a Net Asset Value of less than the minimum holding amount of Euro 150.”

“41.07 If a Unitholder in respect of any Units it holds in a Sub-Fund becomes liable to account for stamp duty in Italy pursuant to Law Decree n. 201/2011, converted into Law n. 214/2011, as may be amended or supplemented or re-enacted from time to time, the Manager shall be entitled to compulsorily repurchase such number of Units held by the Unitholder in that Sub-Fund as are required to meet the relevant amount of stamp duty, such amount to be notified to the Manager (or its delegate) by the distributor in Italy (or such other delegate of the Manager, as appropriate). Neither the Manager nor the Trustee shall be liable for acting upon any instruction from the distributor in Italy or such other delegate of the Manager, as appropriate, in this regard. The Manager shall procure that the distributor in Italy is credited with the proceeds of the compulsory repurchase which it will pay to the Italian tax authority. For the avoidance of doubt, where a Unitholder becomes liable to account for stamp duty in Italy in respect of Units it holds in more than one Sub-Fund, the compulsory repurchase required will be applied to the Sub-Fund in which the Unitholder's holding has the highest value (by reference to total Net Asset Value per Units held) and where such holding is insufficient to meet the related stamp duty liability, the shortfall will be compulsorily repurchased from the Sub-Fund in which the Unitholder's holding has the next highest value and so on until the liability is met.

The Unitholder will be notified of the compulsory repurchase of Units by the Manager, or its delegate, and of the settlement of the related stamp duty liability. The Unitholder may, within the time limits prescribed by applicable Italian legislation, request the Manager to cancel the repurchase of Units provided the Unitholder has notified the Manager or any of its delegates in writing, that its liability to such stamp duty has been miscalculated or incorrectly applied. In any such case, the Unitholder is to be re-issued such relevant number of Units in the same Sub-Fund or Sub-Funds at a price equal to the NAV per Unit on the relevant Dealing Day such Units were repurchased.

The relevant Unitholder shall indemnify and keep the relevant Sub-Fund or Sub-Funds and the Manager indemnified against any loss arising to that Sub-Fund/those Sub-Funds or the Manager as a result of any negligence, recklessness or fraud on the part of the Unitholder.”

(2) by the deletion of the word “Dexia” from the name of the Trustee or related entity throughout the Trust Deed.

3.00 **COVENANT AND CERTIFICATION OF MANAGER AND TRUSTEE**

The Manager and the Trustee hereby covenant and certify that in their respective opinions the modification of the Trust Deed contained herein does not prejudice the interests of the Unitholders or any of them and does not operate to release the Trustee or the Manager from any

responsibility to the Unitholders.

4.00 **GOVERNING LAW**

 - (iv) Subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, the Trustee shall not be held liable for any costs or potential losses resulting directly or indirectly from: (i) any refusal to provide services under this Deed in respect of any collective investment scheme; (ii) a required redemption; nor (iii) a required change in registration of any shares or units in a collective investment scheme, under this sub-Clause 7.08.

 - (ii) the Trustee is carrying out the instruction of the Manager on behalf of the Fund;
 - (iii) the Re-use is for the benefit of the Fund and is in the interests of the Unitholders; and
 - (iv) the transaction is covered by high-quality and liquid collateral received by the Trustee on behalf of the Fund under a title transfer arrangement. The market value of the collateral shall, at all times, amount to at least the market value of the Assets in Custody subject to the Re-use plus a premium.
- 7.20 The Trustee shall have the following powers and shall perform and fulfil the following duties in respect of Assets in Custody subject to the terms and provisions of this Deed:

7.21 All Assets in Custody accepted by the Trustee on behalf of the Fund under the terms of this Deed shall be in freely transferable form. - 7.22 The Manager will not issue any Proper Instruction to the Trustee to transfer any Assets in Custody, whether as part of any collateral or other arrangements, to any third party except by Title Transfer. Any such transfer shall be upon Proper Instruction. The Trustee shall not be obliged to transfer any Assets in Custody to any third party, whether as part of any collateral or other arrangements, except by way of Title Transfer. The Manager on behalf of the Fund acknowledges that the Trustee may consider that any Assets in Custody transferred to a third party as collateral provided by the Fund has been transferred to a third party with Title Transfer. The Trustee will cease to have any safekeeping duties in respect of any Assets upon Title Transfer (whether as part of any collateral arrangements or otherwise, and irrespective of any right created for the return of such Assets). The Trustee will not delegate its safekeeping duties to third parties to which the Fund must transfer collateral unless it is expressly agreed in advance in writing between the Trustee and the Manager and the Trustee has appointed that third party as Sub-Custodian. In the event that the Manager acting on behalf of the Fund breaches any of the obligations in this sub-Clause 7.22, the provisions of sub-Clause 25.07 shall apply.
- 7.23 The Trustee shall be responsible for the safekeeping of any Assets transferred by way of Title Transfer to the Trustee as part of any collateral arrangements made by the Manager on behalf of the Fund. The Trustee shall make clear in its records if any Assets have been received as collateral, noting whether or not those Assets have been transferred by way of Title Transfer, subject to it having been notified of such transfers in a manner previously agreed. In the event that the Manager breaches any of the obligations in this sub-Clause 7.23, the provisions of sub-Clause 25.07 shall apply.
- 7.24 The Trustee may deposit and/or maintain Assets in Custody in a Securities System in accordance with this Deed and applicable securities laws, rules and regulations, if any, and subject to the following provisions:
- (i) the Trustee may keep Assets in Custody in a Securities System provided that such Assets in Custody are represented in an account ("Account") of the Trustee or of a Sub-Custodian in the Securities System which shall not include any assets of the Trustee or Sub-Custodian other than assets held as a fiduciary, Trustee or otherwise for customers;
 - (ii) the records of the Trustee with respect to Assets in Custody of the Fund which are maintained in a Securities System shall identify those Assets in Custody as belonging to the Fund;
 - (iii) where Assets in Custody purchased or sold for the account of the Fund are to be delivered to a Securities System, the Trustee, unless otherwise required by applicable laws, rules and regulations, shall pay for Assets in Custody purchased or transfer Assets in Custody sold upon receipt of advice from the Securities System that the Assets in Custody have been delivered to the Account and upon the making of any entry on the records of the Trustee to reflect such payment and transfer for the account of the Fund. Copies from the Securities System of transfers of Assets in Custody for the account of the Fund shall be maintained for the Fund by the Trustee and be provided to the Manager on request. Upon request, the Trustee shall furnish the Manager with confirmation of each transfer to

or from the account of the Fund in the form of a written advice or notice and shall from time to time upon request furnish to the Manager a statement reflecting transactions in the Securities System for the account of the Fund;

- (iv) for the avoidance of doubt, the use of a Securities System shall not be considered to be a delegation by the Trustee of its Custody Duties where that Securities System provides services as specified by the Settlement Finality Directive. For the purposes of Regulations 34A(6) of the UCITS Regulations 2011, the provisions of services as specified by the Settlement Finality Directive, by a securities settlement system as designated for the purposes of the Settlement Finality Directive or the provision of similar services by third-country securities settlement systems, shall not be considered to be a delegation or sub-delegation of Custody Duties.

7.25 The Trustee shall from time to time furnish certificates and declarations for all legal and tax purposes (if any) in connection with receipt of income or other payments with respect to Assets in Custody of the Fund held by it and in connection with transfers of Assets in Custody as it may be required by law to do from time to time.

7.26 The Trustee shall not have the right to vote in respect of any Assets in Custody and shall procure that each Sub-Custodian does not have the right to vote or exercise any other rights attached to assets held with such Sub-Custodian. The Trustee may nevertheless facilitate the exercise by the Manager or its delegate on behalf of the Fund of the voting rights attached to Assets in Custody which are held in custody by the Trustee for the account of the Fund, provided that the Trustee is required, authorised and instructed by way of Proper Instruction, to do so. In such a case, the Trustee shall transmit promptly to the Manager, or as directed by the Manager all written information (including, without limitation, information with respect to calls and maturities of Assets in Custody and expiration of rights in connection herewith) received by the Trustee from issuers of the Assets in Custody being held for the Fund. With respect to tender or exchange offers the Trustee shall transmit promptly to the Manager, or as directed by the Manager, all written information received by the Trustee from issuers of the Assets in Custody whose tender or exchange is sought and from the party (or his agents) making the tender or exchange offer. If the Manager desires to take action with respect to any tender offer, exchange offer or any other similar transactions, the Trustee shall take such action as is specified in the Proper Instructions notified to the Trustee provided that the Trustee shall be notified at least two Business Days in advance or such earlier time as the Manager shall be instructed, prior to the day on which the Trustee is required to take such action.

7.27 The Manager on behalf of the Fund represents that, in the case where the legal regime applying to the collective investment scheme invested in by a Sub-Fund stipulates that additional monies must be paid, it gives irrevocable instructions to the Trustee to debit the Cash Account(s) in response to such calls for monies.

7.28 The Trustee may in its discretion without express authority from the Manager:

- (i) surrender Assets in Custody in temporary form for Assets in Custody in definitive form;

- (ii) endorse for collection, in the name of the Fund, cheques, drafts and other negotiable instruments;
- (iii) in general, attend to all non-discretionary details in connection with the sale, exchange, substitution, purchase, transfer and other dealings with the Assets in Custody and property of the Fund, except as otherwise directed by the Manager on behalf of the Fund;
- (iv) make payments of any taxes or other governmental charges due by the Fund to Irish authorities and to debit its own remuneration according to Clause 30.00; and
- (v) present for payment Assets in Custody which mature, are redeemed or otherwise become payable provided that the Cash or other consideration is to be delivered to the Trustee.”

Liability of the Trustee

25.08 The Trustee shall be liable to the Fund and the Unitholders for the loss of financial instruments held in custody by the Trustee or a Sub-Custodian to whom the custody of financial instruments held in custody has been delegated in accordance with paragraph

4(a) of Regulation 34 of the UCITS Regulations 2011. For the purpose of this sub-Clause, a financial instrument held in custody is deemed to be lost, when:

- (i) the event which led to the loss is not the result of any act or omission of the Trustee or third party to whom the safekeeping of financial instruments held in custody in accordance with paragraph (a) of Article 22(5) of the Directive has been delegated;
- (ii) the Trustee could not have reasonably prevented the occurrence of the event which led to the loss despite adopting all precautions incumbent on a diligent trustee as reflected in common industry practice;
- (iii) the Trustee could not have prevented the loss despite rigorous and comprehensive due diligence as documented by:
 - (a) establishing, implementing, applying and maintaining structures and procedures and insuring expertise that are adequate and proportionate to the nature and complexity of the assets of the Fund in order to identify in a timely manner and monitor on an ongoing basis external events which may result in loss of an Asset in Custody;

 - (c) informing the Manager of the significant risks identified and taking appropriate actions, if any, to prevent or mitigate the loss of Assets in Custody, where actual or potential external events have been identified

which are believed to present a significant risk of loss of an Asset in Custody.

- 25.10 The Trustee shall also be liable to the Fund and to the Unitholders for all other losses suffered by them as a result of the Trustee's negligent or intentional failure to properly fulfil its obligations pursuant to this Deed and the UCITS Legislation.
- 25.11 In the case of liability of the Trustee under sub-Clause 25.08 of this Deed, the Trustee shall return to the Fund a financial instrument of identical type or the corresponding amount without undue delay. The Parties acknowledge that the liability to the Unitholders may be invoked either directly or indirectly through the Manager provided that this does not lead to a duplication of redress or to unequal treatment of the Unitholders.
- 25.12 Subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, the Trustee (i) shall exercise reasonable care in receiving Assets in Custody but does not warrant or guarantee the form, authenticity, value or validity of any Assets acquired by the Fund and (ii) shall have no liability for losses incurred by the Fund or any person as a result of the receipt or acceptance or delivery to or on behalf of the Trustee of fraudulent, forged or invalid Assets in Custody (or Assets in Custody which are otherwise not freely transferable or deliverable without encumbrance in any relevant market)
- 25.13 The Trustee shall not be under any obligation to appear in, prosecute or defend any action or suit in respect of the provisions hereof or in respect of the Assets or any part thereof or take part in or consent to any corporate or shareholders' or stockholders' action which in its opinion might involve it in any expense or liability, unless required to do so at the reasonable request of the Manager, and provided that the Trustee shall be indemnified and held harmless out of the Assets against any cost, liability or expense which it may suffer or incur as a result of appearing in, prosecuting or defending such action in terms satisfactory to the Trustee. Such indemnity shall continue unless and until a court of competent jurisdiction determines that the Fund has suffered a loss and that

such loss has arisen wholly or partly as a result of the Trustee's negligent or intentional failure to properly fulfil its obligations hereunder and under the UCITS Legislation, in which case the indemnity shall be reduced by the amount of such loss to the Fund which the court determines has arisen as a result of negligent or intentional failure by the Trustee, its Sub-Custodian or its Delegate to properly perform its obligations under this Deed and the UCITS Legislation.

- 25.14 Subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, in no event shall the Trustee be personally liable for any taxes or other government charges imposed upon or in respect of the Fund's Assets in Custody or upon the income or gains thereof. The Trustee shall not be held responsible for the tax situation or status of the Fund or any other person in any jurisdiction for any reason whatsoever.
- 25.15 Without limiting the foregoing with respect to all collections of funds or other property paid or distributed with respect to any Assets in Custody, the risk of default by the issuer or debtor shall, subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, be borne by the Fund.
- 25.16 The Fund shall bear all risks of investing in Assets in Custody or holding Cash denominated in any currency other than that of the Fund's jurisdiction of establishment and/or the Fund's accounting currency or the designated currency of a Fund. Without limiting the foregoing, the Fund shall bear the risks that rules or procedures imposed by Securities Systems, exchange controls, asset freezes or other laws or regulations shall prohibit or impose burdens or costs on the transfer to, by or for the account of the Fund of Assets in Custody or Cash held on the conversion of Cash from one currency into another currency. The Trustee shall not be obliged to substitute another currency for a currency, the transferability, convertibility or availability of which, has been effected by such law, regulation, rule or procedure. Subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, neither the Trustee nor any Sub-Custodian shall be liable for any loss resulting from any of the foregoing events in respect of the Fund.
- 25.17 In some securities markets, deliveries of Assets in Custody and payments therefor may not be or are not customarily made simultaneously. Accordingly, the Manager agrees that the Trustee or a Sub-Custodian, at their absolute discretion, may make or accept payment for, or delivery of Assets in Custody, in such form and manner as shall be in accordance with the customs prevailing in the relevant market or among securities dealers and in accordance with Proper Instructions. Subject and without prejudice to sub-Clauses 25.08 and 25.10, the Fund shall bear the risk that:
- (i) the recipient of Assets in Custody delivered by the Trustee or any Sub-Custodian may fail to make payment, return such investment or hold such Assets in Custody or the proceeds of their sale in trust for the Fund; and
 - (ii) the recipient of payment for Assets in Custody made by the Trustee or any Sub-Custodian may fail to deliver the Assets in Custody (such failure to include, without limitation, delivery of forged or stolen Assets in Custody) or to return such

payment, in each case whether such failure is total or partial or merely a failure to perform on a timely basis.

The Trustee or its Sub-Custodians reserve the right, upon notice to the Manager, to reverse any transaction at any time if the relevant transaction has not been settled or it appears in the reasonable opinion of the Trustee or its Sub-Custodian that it will likely not be settled.

The Manager acknowledges that:

- (a) the Trustee may at any time discontinue any contractual settlement services, upon notice to the Manager; and
- (b) the provision of contractual settlement does not constitute a credit facility from the Trustee.

Subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, neither the Trustee nor any Sub-Custodian shall be liable for any loss resulting from any of the foregoing events in respect of the Fund and the Trustee or its Sub-Custodians shall be indemnified for any such loss suffered by them in providing contractual settlement to the Fund.

- 25.18 In some jurisdictions, deliveries of Assets in Custody may be reversed under certain circumstances. Accordingly, credits of Assets in Custody to the relevant Custody Account are provisional and subject to reversal if, in accordance with relevant local law and practice, the delivery of the Assets in Custody giving rise to the credit is reversed. The Trustee shall inform the Manager of any such reversal and the reasons therefor and, at the request of the Manager, shall assign to the Fund or as the Manager may direct, on such terms as the Trustee may reasonably impose, any right of action against any third party in relation to any loss arising from such reversal and the Trustee shall be indemnified for any such loss suffered by it from such reversal.

Delegation of Duties by the Trustee

- 25.19 The Trustee shall not delegate to third parties the functions referred to in Regulation 34(1) and (3) of the UCITS Regulations 2011.
- 25.20 Subject to sub-Clause 25.19 of this Deed, the Trustee may delegate its Custody Duties and Asset Verification Duties pursuant to Regulation 34(4) of the UCITS Regulations 2011 (the “**Delegated Duties**”) under this Deed, only where:
- (i) such delegation is in accordance with, and subject to compliance with the conditions set out in Regulation 34A(3) of the UCITS Regulations 2011 and the Delegated Duties and the tasks are not delegated with the intention of avoiding the requirements of the UCITS Regulations 2011;
 - (ii) the Trustee can demonstrate that there is an objective reason for the delegation;

- (iii) the Trustee (a) exercises all due skill, care and diligence in the selection and the appointment of any Delegate or Sub-Custodian to whom it intends to delegate part of the Delegated Duties and (b) carries out periodic reviews and ongoing monitoring of any Delegate or Sub-Custodian and of the arrangements put in place by the third party in respect of the delegation, and (c) continues to exercise all due skill, care and diligence in carrying out such review and monitoring ;

- (v) the Trustee assesses the regulatory and legal framework, including country risk, custody risk and the enforceability of the contract entered into with Delegate and Sub-Custodian with a particular focus on the implications of a potential insolvency of the Delegate and Sub-Custodian for the Assets and rights of the Fund. The Trustee ensures that the assessment of the enforceability of the contractual provisions referred to in this sub-Clause 25.20(v), where the Delegate and Sub-Custodian is located in a third country, is based on the legal advice of a natural or legal person independent from the Trustee or that Delegate and Sub-Custodian;
- (vi) in respect of delegation referred to this sub-Clause 25.20, the Delegates and the Sub-Custodians shall at all times during the performance of the function or functions delegated to it:

 - (c) the Sub-Custodian effectively segregates the assets of the clients of the Trustee from its own assets and from the assets of the Trustee in such a way that such assets can, at any time, be clearly identified as belonging to clients of the Trustee in accordance with the requirements of Article 16 of the Delegated Regulation and in particular maintains its books and records in a manner which will enable it at any time and without delay to distinguish assets of the Fund from its own assets, assets of other clients and from the assets of the Trustee for its own account and assets held for clients of the Trustee which are not the Fund in such a way that they can at any time be clearly identified as belonging to the Fund. The Trustee shall ensure that its Delegate or Sub-Custodian conducts, on a regular basis, reconciliations between the Trustee's internal accounts and records and those of the Sub-Custodian to whom it has sub-delegated safekeeping functions.;

- (d) takes all necessary steps to ensure that in the event of insolvency of a Sub-Custodian, the Assets are unavailable for distribution among, or realisation for the benefit of, creditors of the Sub-Custodian;
- (e) the Delegate or Sub-Custodian's financial strength and reputation are consistent with the tasks delegated and such assessment shall be based on information provided by the potential Delegate or Sub-Custodian as well as other data and information;
- (f) the Delegate or Sub-Custodian's has the operational and technological capabilities to perform the delegated safekeeping tasks with a high degree of protection and security;
- (g) the Delegate or Sub-Custodian complies with the general obligations and prohibitions applicable to it under the UCITS Legislation; and
- (h) the Delegate or Sub-Custodian complies with the general obligations and prohibitions laid down in Regulations 33(2), 34(4), 34(6) and 34(7) and in Regulation 37(1), 37(1A) and 37(1B) of the UCITS Regulations 2011.

25.21 The Trustee shall exercise all due skill, care and diligence in the periodic review and ongoing monitoring to ensure that the Delegate(s) or Sub-Custodian(s)'s continue(s) to comply with the criteria provided for under sub-Clause 25.20 of this Deed and it shall:

- (i) monitor the Delegate(s) or Sub-Custodian(s)'s performance and its (their) compliance with the Trustee's standards;
- (ii) ensure that the Delegate(s) or Sub-Custodian(s) exercises a high standard of care, prudence and diligence in the performance of its safekeeping tasks and in particular that it effectively segregates the Assets in Custody;
- (iii) review the custody risks associated with the decision to entrust the Assets to the Delegate(s) or Sub-Custodian(s) and without undue delay notify the Manager of any change in those risks; and
- (iv) monitor compliance with the prohibition laid down in the UCITS Legislation with particular focus on delegation and sub-delegation duties.

25.22 Notwithstanding sub-Clauses 25.20 and 25.21 of this Deed, where the law of a third country requires that certain financial instruments to be held in custody by a local entity and no local entities satisfy the delegation requirements as set out in the aforementioned sub-Clauses, the Trustee may delegate the Delegated Duties to such a local entity only to the extent required by the law of that third country and for as long as there is no local entity that satisfies the delegation requirements and provided that:

- (i) the Unitholders of the Fund are duly informed, prior to their investment, of the fact that such a delegation is required due to legal constraints in the law of that third country, of the circumstances justifying the delegation and of the risks involved in such delegation; and
 - (ii) the Manager on behalf of the Fund instructs the Trustee to delegate the custody of the relevant Assets in Custody to such local entity.
- 25.23 Delegates or Sub-Custodians may, in turn, sub-delegate a function, referred to in paragraph (4) of Regulation 34 of the UCITS Regulations 2011, subject to the same requirements and in such a case, paragraphs (2) and (3) shall apply with the necessary modifications to the relevant parties.
- 25.24 The use of Delegates or Sub-Custodians shall not affect the Trustee's liability under this Deed or the UCITS Legislation. The Trustee shall take measures, including termination of the contract of delegation, which are in the best interest of the Fund and its Unitholders where the Delegates and Sub-Custodians to whom safekeeping has been delegated no longer complies with the requirements of the UCITS Legislation.
- 25.25 The Trustee will provide details regarding its Delegates and Sub-Custodians, and shall also advise the Manager each time a Delegate or Sub-Custodian is appointed, along with details of such Delegate(s) or Sub-Custodian(s), by way of the Trustee's terms and conditions available on the Trustee's website or through its email communications service, or otherwise through means of communications contemplated under this Deed. The Trustee shall on request make available to the Manager a list of the Sub-Custodians and Delegates appointed by it in accordance with the terms of this Deed and provide the Manager with such information as it may reasonably request with respect to such delegation including information on the criteria used to select the Sub-Custodian or Delegate and the steps envisaged to monitor the activities of the Sub-Custodian or Delegate.
- 25.26 The Trustee, in case of delegation of the Delegated Duties to a third party located in a third country, shall ensure that the agreement with the Delegate or Sub-Custodian allows for an early termination taking into account the need to act in the best interest of the Fund and of the Unitholders in case the applicable insolvency laws and case law no longer recognises the segregation of the Assets in the event of insolvency of the Delegate or Sub-Custodian or the conditions laid down in law and case law are no longer fulfilled.
- 25.27 The Trustee will without undue delay inform the Manager when the Trustee becomes aware that a Sub-Custodian's or Delegate's (to whom safekeeping has been delegated in accordance with Regulation 34A of the UCITS Regulations 2011) segregation of Assets is not, or is no longer sufficient, to protect the Assets in Custody from the claims of any creditors of that Sub-Custodian in the event of the insolvency of the Sub-Custodian or Delegate. The Trustee, acting in the best interest of the Fund and of the Unitholders, will subject to the notice of the Manager, as soon as reasonably practicable transfer the Assets in Custody to the alternative entity identified by the Trustee in its contingency plan. On receipt of such information from the Trustee, the Manager shall immediately notify the

Central Bank of such information and consider all the appropriate measures in relation to the relevant Assets in Custody, including their disposal taking into account the need to act in the best interest of the Fund and of the Unitholders. The Trustee shall take all necessary steps to ensure that in the event of insolvency of a Sub-Custodian, Assets of the Fund held by its Sub-Custodians are unavailable for distribution among, or realisation for the benefit of, creditors of the Sub-Custodians and in particular it shall ensure that the Sub-Custodian takes all the necessary steps applicable under the UCITS Legislation.

- 25.28 The Trustee has in place a decision-making process for choosing Delegates and Sub-Custodians to whom it may delegate the safekeeping functions in accordance with Article 22a of the UCITS Directive, which shall be based on objective pre-defined criteria and meet the sole interest of the Fund and the Unitholders. The Trustee has implemented, applied and regularly reviews, an appropriate documented due diligence procedure for the selection and ongoing monitoring of its Delegates and Sub-Custodians with respect to such delegation, which shall be based on objective pre-defined criteria and meet the sole interest of the Fund and the Unitholders. In particular, the Trustee evaluates the regulatory and operational infrastructures of each market prior to offering custody and related asset servicing services in such market. Through its analysis, the Trustee will determine if there is a legal, taxation or operational requirement for client assets to be maintained in segregated accounts in the name of the Fund or relevant Sub-Fund. In accordance with market practice, if there is such a requirement, the Trustee will establish segregated client accounts accordingly. If there is no such requirement, and the regulatory and operational infrastructure recognises the market practice of operating with omnibus accounts, the Trustee will establish omnibus accounts through its Sub-Custodians.
- 25.29 The Manager on behalf of the Fund agrees that it will only acquire Assets in Custody which would be required to be held by a Sub-Custodian or Delegate in a jurisdiction designated by the Trustee as a Permitted Jurisdiction, within the limits and conditions set out in sub-Clause 25.32 with regards to Designated Jurisdiction. The Manager on behalf of the Fund agrees that it will not acquire Assets in Custody in Prohibited Jurisdictions.
- 25.30 The Trustee will from time to time provide information to the Manager relating to the markets where the Fund may invest. In particular, where the Trustee is aware of risks relating to certain markets, it will establish a procedure to disclose those markets and risks in writing to the Manager and the Manager will sign a confirmation addressed to the Trustee confirming that it has received the information relating to the market and is aware of the risks of investing in the market. This procedure is designed to enable the Manager to make an informed decision as to whether or not to invest in these markets.
- 25.31 Where the Manager requires further information about a particular market or a particular Sub-Custodian or agent appointed by the Trustee to hold Assets in Custody, the Trustee shall, following a written request from the Manager detailing the information that the Manager requires, make arrangements for the Manager (or its agents) to have all necessary and reasonable access to the personnel and relevant files of the Trustee and any Sub-Custodian (either directly or indirectly through the Trustee, as may be facilitated by the Trustee, in any given case), for the purpose of allowing the Manager to obtain the

information it has requested The Trustee shall have a contingency plan for each jurisdiction in which it appoints a Sub-Custodian. Such a contingency plan shall include the identification of an alternative provider, if any, and will be made available to the Manager upon request. For the avoidance of doubt, such contingency plans are without prejudice to the Trustee's rights of retirement subject to and in accordance with Clause 36.00 of this Deed.

- 25.32 When Assets are held by a Sub-Custodian in a Designated Jurisdiction and for which the level of risks increases as per Trustee's discretionary risk assessment as notified by the Trustee to the Manager, the Manager on behalf of the Fund commits upon the Trustee's request, to immediately provide the Trustee with appropriate Proper Instruction to sell the Assets in Custody in relation to these Assets. In the event that the Manager fails to immediately provide Proper Instruction the provisions of sub-Clause 25.07 shall apply.

Indemnity

- 25.33 The Trustee shall without prejudice to any indemnity allowed by law or elsewhere, and subject and without prejudice to the provisions of sub-Clauses 25.08 and 25.10, be indemnified out of the Assets in respect of all liabilities and expenses properly incurred by it in the execution or purported execution of the trusts hereof or of any powers, duties, authorities or discretions vested in it pursuant to this Deed or the terms of its appointment and against all actions, proceedings, costs, claims, damages, expenses and demands in respect of any matter or thing done or omitted or suffered in any way relating to this Fund or to any of its Sub-Funds (other than by reason of the Trustee's material breach of this Deed, negligence, bad faith, fraud, wilful default or recklessness).
- 25.34 The Trustee shall be reimbursed and indemnified out of the appropriate Assets for all such taxes and charges, for any tax or charge imposed against the Trustee, or any Sub-Custodian and for any expenses, including without limitation legal fees on a full indemnity basis, interest, penalties and additions to tax which the Trustee or any Sub-Custodian may sustain or incur with respect to such taxes or charges, provided that the Trustee and any Sub-Custodian shall not be reimbursed or indemnified for taxes imposed on its income derived from its remuneration under this Deed under the laws of Ireland.
- 25.35 For the avoidance of doubt, it is hereby agreed and declared that references to the Trustee in sub-Clauses 25.33 and 25.34 of this Deed shall be deemed to include the directors, employees, officers and agents of the Trustee and that any indemnity expressly given to the Trustee under this Deed is in addition to and without prejudice to any indemnity allowed by the laws of Ireland. The Trustee shall also be reimbursed and indemnified out of the Assets for any costs which are reasonably incurred by the Trustee after the termination of this Deed in order to ensure the continuity of the Custody Duties and Asset Verification Duties under the UCITS Legislation pending the transfer of the Assets of the Fund to a new trustee or the winding-up of the Fund pursuant to Clause 36.00 of this Deed.

Any refusal should be provided and explained in writing. The approval cannot be unreasonably withheld, it being understood that subject and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, the Trustee will not be held liable for any consequence arising from a

Clause 31.00 of the Original Deed shall be amended by the addition of the following provisions of this Deed after the existing sub-Clause 31.02:

"31.03 The Manager on behalf of the Fund undertakes to transfer or procure the transfer to the Trustee forthwith on receipt thereof, all sums (if any) including, without limitation, Assets in Custody and Cash, (less any initial charge(s) payable to the Manager or any distributor, person or body in respect thereof) received by or on behalf of the Fund representing subscription application money for Units and all payments of income, principal or capital distribution received by or on behalf of the Fund in relation to all Assets owned by the Fund from time to time and the Cash consideration received by or on behalf of the Fund in relation to the sale or disposal of all Assets in Custody owned by the Fund from time to time.

The Manager acting on behalf of the Fund shall not use other third parties to hold Assets in Custody. The Manager on behalf of the Fund further agrees that it will only hold Assets in Custody that are in compliance with this Deed, the Prospectus or the UCITS Legislation. In the event that the Manager on behalf of the Fund holds, or seeks to hold Assets in Custody that are not in compliance with this Deed, the Prospectus or the UCITS Legislation, the provisions of sub-Clause 25.07 shall apply.

31.05 The Manager shall ensure that no Other Assets are assigned, transferred, exchanged or delivered without prior written notification to the Trustee.

31.06 The Manager shall in a timely manner transmit to the Trustee all relevant information or shall ensure that the Trustee shall have access to all information reasonably required and requested by the Trustee to perform the Depositary Services in accordance with the terms of the Trust Deed and the UCITS Legislation and as further provided in Schedule E to this Deed.

In particular, the Manager shall ensure that the Trustee has access to the books and records of, and can perform on-site visits on the premises of, the Manager and of those of any service provider appointed by the Manager on behalf of the Fund if applicable (including any administrators). The Manager shall also ensure that the Trustee has access to the reports and statements of recognised external certifications by qualified independent auditors or other experts in order to ensure the adequacy and relevance of the procedures in place;

 - (a) the Trustee shall endeavour not to cause any undue disruption to the Manager's conduct of its business;
 - (b) provision of such information is not in breach of any obligations reasonably owed by the Manager to third parties; and
 - (c) the Trustee shall procure that any such appointed agents or auditors of the Trustee provide such undertakings as to the confidentiality of the information they receive under this sub-Clause 31.07(xv) the Manager may reasonably require.

31.08 The Manager shall make available to the Trustee and commits that any third party will make available to the Trustee, upon commencement of the Depositary Services and on an ongoing basis any document or relevant information (i) which the Trustee needs to comply with its obligations as trustee or (ii) which the Manager or any third party is required to provide to the Trustee under this Deed or pursuant to the UCITS Legislation.

- (e) that the Trustee has, at any time, a right of information in relation to the Assets not directly held by the Trustee; this will permit the Trustee to have access to information which is available from a Sub-Custodian, clearing broker or registrar and transfer agent. To this extent, the Manager commits that the Trustee will be granted access to the information via communication means to be agreed between the third party and the Trustee.

31.09 Unless otherwise agreed in writing from time to time between the parties, any information or document to be provided to the Trustee under this Deed must be (i) in a format suitable to the Trustee and notified reasonably in advance to the Manager and (ii) in accordance with the general Trustee guidelines defining formats in order to allow the Trustee to perform its Depositary Services, including but not limited to Schedule E of this Deed, or otherwise indicated by the Trustee from time to time upon reasonable notice. - (i) ensure that all cash of the Fund is booked in accounts opened in individual cash accounts opened in the name of the Fund (segregated accounts), of the Manager acting on behalf of the Fund or of the Trustee acting on behalf of the Fund and will ensure that these accounts can be clearly identified as belonging to the Fund and the cash booked in these accounts are separated from the accounts of the Trustee and other Eligible Institution. Where the Cash Accounts are opened in the name of the Trustee acting on behalf of the Fund, no cash of an Eligible Institution and none of the own cash of the Trustee shall be booked on such accounts. The Trustee shall ensure that Third Party Cash Accounts are opened with Eligible Institutions;
- (ii) ensure that all Cash Accounts are maintained in accordance with the principles set out in Article 16 of Commission Directive 2006/73/EC;
- (iii) implement effective and proper procedures, which are implemented, applied and frequently reviewed, to reconcile all Fund's cash flow movements and perform such reconciliations on a daily basis or, in case of infrequent cash movements, when such cash flow movements occur. The Trustee will monitor the results of these reconciliations and notify the Manager if any irregularity has not been rectified without undue delay;
- (iv) implement appropriate procedures to identify at the close of each business day cash flows which are in its reasonable opinion significant and in particular cash flows which could be inconsistent with the Fund's operations. 46.04 The Manager and the Trustee shall, promptly on request (but subject at all times to both parties' compliance with any applicable data protection law and regulation), provide such information and assurance to each other as may be reasonably necessary (including, without limitation, the names of individuals) with a view to ensuring that:

- (i) no person is at the same time acting as both a member of the management body of the Manager and a member of the management body of the Trustee or any Sub-custodian; and

47.00 PROPER INSTRUCTIONS

47.01 The Trustee will carry out the Proper Instructions of the Manager within the limits laid hereunder and in accordance with the Trustee's procedures proportionate to the nature, scale and complexity of the Fund's activity.

47.02 In this Deed, "**Proper Instructions**" means any written, telefaxed instructions or instructions transmitted by electronic communication or by such other means as may from time to time be agreed between the parties hereto received by the Trustee and signed by the Manager or by (a) person(s) authorised to give such instructions (the "**Authorised Persons**") upon a decision by the Manager.

47.03 Notwithstanding sub-Clause 47.02, instructions sent by email are deemed to be Proper Instructions when there are sent to the Trustee from the email address of an Authorised Persons approved by the Manager and in a format agreed between the parties from time to time. The Manager therefore agrees that the Trustee shall not be liable for any demands, claims, actions, proceedings, losses and costs and expenses that may arise in connection with the use of the electronic means of communication such as, without limitation, the non-execution of any trade instructions or any delay in this execution or any resulting loss on account of such non-execution or delay except where such demands, claims, actions, proceedings, losses, damages or other liabilities and cost and expenses arises as a result of the Trustee's intentional failure to perform its obligations or its improper performance of them. The Manager further acknowledges that the Trustee will assume no obligation to verify the accuracy of the electronic messages and that solely the date and time of the receipt of the email by the Trustee will be taken in account.

- 47.04 Instructions delivered by the Manager or any Authorised Person to the Trustee on the phone are not Proper Instructions. In circumstances agreed from time to time in advance by the Parties on a case by case basis, oral instructions may be considered as having the same value and effect as Proper Instructions. The Trustee will be authorised to rely on and to act upon these oral instructions provided, however, that they are delivered by phone via a recorded line (the records of which may be used as an evidence of an instruction before courts) and that the Manager or the Authorised Person commits to provide the Trustee, without any delay, with a corresponding written instruction.
- 47.05 A signed copy of a resolution by the Manager or any Authorised Person(s) containing the rights and powers as well as the name and specimen signature of any Authorised Person shall be received and accepted by the Trustee as conclusive evidence of the authority of any such Authorised Person to give Proper Instructions and shall be considered as in full force and effect until receipt of written notice to the contrary. Without affecting the above, the Trustee may require the Manager to clarify or confirm any Proper Instructions and may decline to act in accordance with a Proper Instructions until it receives an explanation or confirmation which is satisfactory to it;
- 47.08 Subject to and without prejudice to sub-Clauses 25.08 and 25.10 of this Deed, the Trustee shall not be liable for any loss resulting from any delay linked to the Trustee requiring clarification or information on Proper Instructions as aforesaid, including any delay caused by the time necessary for the Manager to provide satisfactory clarification or confirmation thereon, or from the Trustee exercising its right to decline to act in the absence of clarification or confirmation.
- 47.09 Anytime the Manager has breached any of its obligations under this this Clause 47.00, the matter shall be referred to and subject to the provisions of sub-Clause 25.07.

The Manager acknowledges that such refusal will affect the existence or continuation of the provision of services under this Deed and the Manager acknowledges that the Trustee will not be liable for any loss or damage deriving from the refusal by the Manager.
- 48.06 No provision of Clause 48.00 hereof shall prevent any competent authority including the Central Bank from having access to and obtaining, upon request, any document or information relating to the Parties or the services performed under this Deed.

For the purposes of this Schedule E, the Administrator refers to the fund administrator of the Fund.

The Annexes to this Schedule may be amended at any time by the Trustee by prior written notice to the Manager in accordance with Clause 42.00 of the Trust Deed. The procedures to be adopted by the Trustee for each type of asset in which the Fund may invest and which are entrusted to the Trustee, and a description of the way in which the Trustee's safe-keeping and oversight function under the UCITS Regulations 2011 and the Central Bank Rules is to be performed, depending on the types of assets and the geographical regions in which the Fund plans to invest including (in respect to the safekeeping duties, the description shall include country lists and procedures for adding or withdrawing countries from the lists). This shall be consistent with the information regarding the assets in which the Fund may invest set out in its fund rules, instruments of incorporation and offering documents:

1.1. Safekeeping of Assets in Custody

The Trustee will accept and hold in custody those assets listed in Part II of Schedule B to this Deed. It will hold those assets only in the countries listed in Schedule B Part I (A) and (B). The process for adding countries to, or removing them from, that list is set out in Part I of Schedule B to this Deed.

Assets in Custody are held either in the name of the Trustee or any of its Sub-Custodians or Delegates. Holdings are recorded in the Trustee's books and records in segregated accounts for each Sub-Fund. The Trustee reconciles its records to either statements from its Sub-Custodians or, where Assets in Custody are not held through Sub-Custodians, statements from Securities Systems or the transfer agents of collective investment schemes in which a Sub-Fund has invested.

Where the Trustee has delegated the custody of financial instruments to a Sub-Custodian, the Trustee will monitor both through an external visit program and through on-going due-diligence reviews that the Sub-Custodian has structures and expertise adequate and proportionate to the nature, scale and complexity of the financial instruments which have been entrusted to it and that it satisfies the criteria set out in sub-Clauses 25.19 to 25.32 of this Deed to act as a sub-custodian.

The Trustee enters into legal agreements with each Sub-Custodian requiring that all Assets in Custody must be held in segregated accounts opened in the Sub-Custodian's books as provided for in sub-Clause 25.20 of this Deed.

The processes described above apply to all Assets in Custody held in any Permitted Jurisdiction.

1.2. Safekeeping of Other Assets

The Manager shall ensure that all instructions and relevant information relating to transactions in, and ownership of, Other Assets are sent to the Trustee by its appointed delegate on a timely basis so that the Trustee can comply with its safekeeping obligations.

In the absence of the Trustee's agreement in writing, the Manager or their appointed delegate shall transmit details of all the Fund's transactions in Other Assets electronically to the Trustee and shall procure that its delegates do likewise. The electronic format shall be either an industry standard, such as SWIFT, or one provided by the Trustee.

The Manager confirms that neither it nor any delegate will assign, transfer, exchange or deliver any Other Asset without first notifying the Trustee.

The Trustee will ensure that a record of Other Assets is maintained for which it is satisfied of such ownership. This ownership assessment will be based upon information or documents provided by the Manager and, where available, on external evidence from relevant third parties or agents (as applicable).

The Trustee will compare the fund accounting records with the Trustee record of Other Assets. To enable the Trustee to perform this exercise, the Manager will ensure that the fund accounting records, including copies of reconciliations performed by the Manager or its delegates, are provided promptly upon request to the Trustee.

If an anomaly is detected, the Trustee will notify the Manager and their appointed delegate and if necessary the Central Bank if the issue cannot be rectified or explained.

1.3. Oversight Functions

1.3.1. Oversight of subscriptions and redemptions

The Manager shall ensure that the Trustee receives all appropriate information from the Administrator, including copies of its procedures, on a timely basis in relation to dealings in Units issued by the Manager so that the Trustee can

- (ii) reconcile the subscription orders with the subscription proceeds, and the number of Units issued with the subscription proceeds received by the Fund;
- (iii) reconcile the redemption orders with the redemptions paid, and the number of Units cancelled with the redemptions paid by the Fund; and

- (iv) check the consistency between the total number of Units in the Fund's books and records and the total number of outstanding Units that appear in the Register.

The Manager will ensure that the Administrator will facilitate an onsite review of its processes and procedures by the Trustee at least annually, upon reasonable notice, which shall not exceed four weeks.

The Manager shall instruct the Administrator to inform the Trustee promptly upon becoming aware of any error made in processing subscriptions or redemptions.

1.3.2 Calculation of the Net Asset Value

The Manager shall ensure that the Trustee receives all appropriate information from the Administrator, including a copy of its procedures, on a timely basis in relation to the calculation of the net asset value of the Units, including any exception reports generated as part of the Administrator's controls.
